VANCOUVER BC V6B 2X1
Canada

Dear [REDACTED]

Your application to study in Canada has been approved. A permit authorizing your studies will be issued to you on your arrival to Canada following an examination by an officer of the Canada Border Services Agency, subject to your compliance with the requirements of the *Immigration and Refugee Protection Act* and its Regulations. The officer will ask to see this letter, your passport and may request to see your supporting documents, such as the letter of acceptance from your educational institution. Do not pack these or other valuable papers in your checked luggage. You can find out more about which documents you will need to bring with you by visiting www.cic.gc.ca/english/study/study-arriving.asp.

As you gather your documents, please take note of the following:

- **This letter is not a passport or travel document.** You will not be permitted to board your flight without your passport, even if you have this letter with you.
- **This letter is not an authorization permitting you to enter or remain in Canada.** An officer of the Canada Border Services Agency will make that determination upon your arrival to Canada.
- **This letter is important** because it contains information that will be used by the Canada Border Services Agency to issue your study permit. Please do not misplace it.

You must seek entry to Canada to obtain your study permit [REDACTED] (dd). Your passport must be valid beyond the period you intend to remain in Canada. If not, the validity of your study permit will not be issued beyond the expiry date of your passport, or, for United States citizens and permanent residents, the validity date of your identity document.

Note: As an international student in Canada, it is your responsibility to ensure that you continue to meet the conditions of your study permit, including the requirement to actively pursue studies. Your study permit will automatically become invalid 90 days after you complete your study program, regardless of the expiry date indicated on your study permit. For more information, please consult: <http://www.cic.gc.ca/english/study/index.asp>.

For officer use

TYPE: Permit - SP / Permis - PE

Document number: E519332130

Validity (YYYY/MM/DD): 2022

Must enter Canada by (YYYY/MM/DD):

If you are from a country/territory which **requires** a temporary resident visa (TRV) (<http://www.cic.gc.ca/english/visit/visas.asp>), you have also been issued a visa. This visa has been affixed in your passport, and is valid for multiple visits to Canada until it expires. If you obtain a new passport before your visa expires, you will need to apply for a new visa. You may do so by visiting www.cic.gc.ca/english/information/applications/visa.asp.

Other than United States citizens, if you are from a country/territory which does **NOT require** a temporary resident visa (<http://www.cic.gc.ca/english/visit/visas.asp>), or if you are a permanent resident of the United States, you have also been issued an Electronic Travel Authorization (eTA). Your eTA is valid for multiple visits to Canada, until 2023/03/31 (yyyy/mm/dd). Your eTA number is J519332130 and is linked to the passport you used when you applied to study in Canada. If you obtain a new passport before 2023/03/31 (yyyy/mm/dd), you will need to apply for a new eTA by visiting www.canada.ca/eTA.

If you are a United States citizen, you are not required to obtain an eTA or a TRV. United States citizens who do not have a passport may show their United States birth certificate or certificate of naturalization. United States permanent residents entering Canada from the United States may present their alien resident "green" card, instead of a passport.

In some provinces or territories, students are not eligible for public health insurance. You must ensure that you and any dependants have adequate health care insurance or financial resources to cover possible contingencies. Further information is available from the ministry of health of the province or territory in which you intend to study.

For information on what to see and do while you are in Canada, visit www.canada.ca/travel.

Sincerely,

www.cic.gc.ca
